East Peoria Spring Soccer 2010

Developmental Program Information

East Peoria Youth Soccer has once again teamed up with the ICC Men's Soccer Coach Oz Bakardin to offer our spring soccer program. Children will still be split into divisions, and placed with ICC soccer players and coaching staff.

All activities will take place at Eastside Centre.

We will be indoors on March 27 and April 3 at EastSide Centre. We will be outdoors beginning April 12 through April 27, where each division will get 2 sessions that are 1 hour long every week.

Your child will receive 7 sessions with the ICC soccer team and staff. Each session will consist of 25 minutes of skill development and instruction followed by a scrimmage game to display the skills they have been working on.

The instruction will be geared toward the children's ages and abilities.

This program is perfect for both the casual and advanced players

Registration for the Spring Soccer Program will begin Monday, March 1 through March 20 at the Fon du Lac Park Administration Center. Registration forms will be distributed to East Peoria and Creve Coeur grade schools the week of February 22.
